

Panel Mount Breakers

Panel Mount Circuit Breaker, Common Trip, Thermal Magnetic, 3 Pole, 240V. Mounts directly into Rotary Phase Converter Control Panel (AR, AD, ADX, AI) for protection on the 3-Phase side.

Features

	10A	15A	20A	25A	30A	35A	40A	45A	50A	60A	70A	80A	90A	100A
Product or component type	Miniature Circuit Breaker													
Circuit breaker type	Standard													
[In] rated current	10A	15A	20A	25A	30A	35A	40A	45A	50A	60A	70A	80A	90A	100A
Poles description	3P													
Short-circuit current	10 kA													
Electrical connection	Slotted box lugs (line and load)													
Product certifications	CSA IEC UL listed													
[Ue] rated operational voltage	240 V AC													
Mounting mode	Unit mount													
AWG gauge	14...2 AWG aluminium/copper
