

WARRANTY

AMERICAN ROTARY ADVANTAGE

PANEL WARRANTY

All American Rotary, rotary phase converter control panels are warranted against defects in material and workmanship for a lifetime (excludes DIY panels see DIY panel manual for more information). American Rotary will repair or replace (at our option), at no charge, any part(s) found to be faulty during the warranty period specified. The control panel warranty repairs must be performed by/at American Rotary's facility.

ELECTRIC GENERATOR/IDLER WARRANTY:

The Idler/Generator is covered by Baldor's two-year warranty. The rotor is warranted for lifetime against defects in material and workmanship to the original owner. Baldor Idler repairs or replacements must be performed by/at a Baldor Authorized Service Center. Baldor Idler repairs or replacements must also be pre-authorized in writing by American Rotary. The warranty inspection report as well as the specification tags from the generator will need to be provided before replacement can be authorized.

OBLIGATIONS OF THE ORIGINAL OWNER

Transportation of control panels to American Rotary is the responsibility of the original purchaser. Return transportation is provided by American Rotary when the control panel is "in-warranty."

American Rotary will not accept Baldor idler returns or repairs sent to American Rotary. All Baldor issues are handled by Baldor Authorized Service Centers.

EXCLUSIONS OF THE WARRANTY

This warranty does not cover any of the following: accident, misuse, fire, flood, and other acts of God, acts of terrorism, nor any contingencies beyond the control of American Rotary, including but not limited to water damage, incorrect line voltage, improper installation, installation where this unit will not meet local electrical codes, missing or altered serial numbers, and service performed by an unauthorized facility. American Rotary's liability for any damages caused in association with the use of American Rotary's equipment shall be limited to the repair or replacement only of the American Rotary's equipment. No person, agent, distributor, dealer, or company is authorized to modify, alter, or change the design of this merchandise without express written approval of American Rotary.

Liability Limitation: In no event shall American Rotary be liable or responsible for consequential, incidental or special damages resulting from or related in any manner to any American Rotary product, third party installation(s), manufactured or distributed, or parts thereof. A licensed electrician must perform all installations. Not all, American Rotary phase converters are UL listed, this is an option the customer must specify, and additional charges will apply. American Rotary is not responsible for meeting, complying with or insuring installation inspections. American Rotary does not accept returns on units that have been installed or energized.

NOTE

Installations must comply with all national and local electrical code requirements and must be installed by a qualified licensed electrician. Customer is responsible for making sure this phase converter can pass inspection where installed.
